

SUPPORT Resources

The Aftercare Program realizes life is forever changed following the death of a loved one. Our compassionate, dedicated and accountable staff is committed to supporting you throughout your grief journey.

Many support resources are available on the local and national level. We hope this comprehensive list will be helpful to you and your family during this difficult time. No listing of this type is complete, and such groups may change frequently. Therefore, KODA does not assume responsibility for accuracy of information or the level of service provided. Should you have questions or need additional assistance finding the resource most suited to your need, please contact our Aftercare Program.
